

Gender Wellbeing Clinic

“ The Trans community is very glad that after so many years, we can now benefit from a gender clinic. In previous years Trans people were left in limbo on how and where they could access the services they needed. Now the Trans community can enjoy a clinic which guides you through your journey, with a holistic approach, free of charge. ”

Gender Wellbeing Clinic Service User.

The services provided by the Gender Wellbeing Clinic on the National Health Service to date include:

- ▶ Nurse coordinator
- ▶ Psycho-social support
- ▶ Family support
- ▶ Specialist endocrinological care (adult & paediatric)
- ▶ Specialist psychiatric support
- ▶ Voice therapy

- ▶ Specialist gynaecological support and urological support
- ▶ Specialised gynae clinics for trans men
- ▶ Preservation of gametes is possible through the ART Clinic

Surgeries currently available:

- ▶ Orchiectomy
- ▶ Hysterectomy
- ▶ Fertility treatment

Through its multi-disciplinary approach, the Gender Wellbeing Clinic offers a welcoming and safe space for its clients and is committed to provide individualised and professional care, based on the World Professional Association for Transgender Health (WPATH) Standards of Care.

Il-Klinika għall-Benesseri tal-Ġeneru

“ Il-komunità trans hija kuntenta ħafna li, wara tant snin, issa nistgħu nibbenefikaw minn klinika ddedikata għall-ġeneru. Fis-snin ta' qabel, il-persuni trans tħallew fil-limbu fir-rigward ta' kif u fejn setgħu jaċċessaw is-servizzi li kienu jeħtieġu. Issa, il-komunità trans tista' tgawdi klinika li tiggwidak matul il-vjaġġ tiegħek, b'approċċ olistiku, mingħajr ħlas. ”

Utent ta' servizzi offruti mill-Klinika għall-Benesseri tal-Ġeneru.
